Staff Exclusion List

- In order to request a check of the SEL, a Provider must submit an Authorized Person (AP) Designation Form for SEL Checks to the Justice Center.
- OCFS Providers who haven't already submitted an AP Designation Form to the Justice Center should submit the AP Designation Form for SEL Check found on the Justice Center website (www.justicecenter.ny.gov) under Forms tab, JC CBC 2.

What Individuals are subject to an SEL Check?

- “Any person” who will have “regular and substantial contact” with a service recipient.
- “Any person” can include an employee, administrator, consultant, intern, volunteer, or contractor.

Requesting an SEL Check

- Interim SEL check protocol: Until December 18, 2013, a Provider's "Authorized Person" shall check the SEL by clicking the [Read More] portion of the red banner on the homepage of the Justice Center website, printing the Interim Request for SEL Check page, and keeping it with the employment application. This indicates, as of the date checked, that no one is on the SEL.

SEL Check Request Automation

- Later this month, the Justice Center plans to launch an automated SEL check request process where Providers' APs will enter the applicant's information on a webform located on the Justice Center website.
- A informational webinar will be placed on the Justice Center website under the Pre-Employment tab which will explain the new automated procedure.

SEL Check Request Automation

- PLEASE NOTE: A Social Security Number or Alien Registration Number will be required in order to utilize the automated SEL process.
- Authority for collecting a Social Security Number for the purpose of a SEL check is found in 14 NYCRR Part 702.
- If a Social Security Number or Alien Registration Number is not available, APs must fax the SEL Request Form to the Justice Center CBC Unit.

SEL Check Request Automation

- Please be advised that faxing the SEL request will increase the length of response time.
- Every effort should be made to obtain and utilize the Social Security Number or Alien Registration Number.

If the Applicant is on the SEL...

- If the applicant is on the SEL, a facility, provider agency, and all other providers of services in programs *operated, licensed or certified* by any SOA shall **not** hire or otherwise allow such a person to have regular and substantial contact with a service recipient.
- No CBC check or SCR inquiry is required if an applicant is on the SEL for these Providers.

If the Applicant is on the SEL...

- Providers of services in programs funded by a SOA and other providers and provider or licensing agencies required to check the SCR, who are not covered within the definition of facility or provider agency, shall determine whether to hire or allow such person to have regular or substantial contact with a service recipient in accordance with guidelines developed by OCFS.

If the Applicant is Not on the SEL...

- A CBC, if required, and an inquiry of the SCR, must be conducted.

MHL § 16.34 Checks

- OPWDD Providers are also required to request a MHL § 16.34 check. Applicants for OPWDD programs are required to list where they have worked with service recipients. If an OPWDD applicant worked at an OCFS program, an OCFS Provider may receive a request from OPWDD to check its records to see if an applicant has been involved with an incident of abuse and neglect. Please make every effort to comply promptly with this request.
- The Justice Center is not involved with MHL § 16.34 checks.

Statewide Central Register Inquiries

- List of providers that must check the SCR was expanded to include “facility or provider agency” as defined in Social Services Law § 488(4).
- If newly required (after June 30, 2013) to check the SCR as part of the pre-employment screening, a Provider must apply with OCFS for such access.
- All entities that are required to do an SEL check must also do an SCR check if the subject of inquiry is not on the SEL.

SCR Inquiry

- Social Services Law § 424-a(3)(4) list providers, and provider or licensing agencies required to conduct an inquiry of the SCR through OCFS.
- Having an indicated report on the SCR is not a bar to hiring.
- The Justice Center is not involved with the pre-employment SCR inquiry.

SCR Investigation Inquiry

- After an allegation of abuse or neglect, an investigator must request the Justice Center to conduct a subject search of the SCR.
Information about this check may be found at:
<http://www.justicecenter.ny.gov/investigations-prosecution/office-investigations>
- The Justice Center *CBC Unit* is not involved with the SCR Investigation inquiry.
